

**UNIVERSITY OF CRETE  
DEPARTMENT OF BIOLOGY  
POST-GRADUATE STUDIES PROGRAMME**

**Application for post- graduate studies in the programme .....**  
.....  
.....

**Description of Interests**

**Surname(family name):..... First name: .....**

**HOW TO FILL OUT THIS FORM**

Please explain the reason(s) why you wish to specialise, or to carry out research in the chosen area. Refer to theoretical, technical, experimental and/or other interests, and explain in what way(s) your present background and your future post-graduate studies at the University of Crete will help you to realise these aims and further your long-term career prospects. You may give relevant information about your academic and professional occupation.
